Powder-Free and Powdered

# Exam Gloves

A comprehensive line of hand protection with various fit and function options. These exam gloves offer safety, flexibility, and consistency in the healthcare setting.

## Latex

*These gloves are comfortable, low protein, and made from a natural fiber. Available in powdered and powder-free.*

## Soft Nitrile

*The microtextured, soft nitrile gloves provide enhanced comfort and tactile sensitivity. These soft and flexible latex-free gloves stretch and conform to the hands, eliminating the stiffness sometimes associated with nitrile gloves. Available in powder-free only.*

## Vinyl

*The non-latex exam gloves provide a durable solution for professionals and their patients who risk sensitivity to natural rubber latex. These gloves offer exceptional strength and protection at a value price. Available in powdered and powder-free.*

# Powder-Free and Powdered Exam Gloves

Item #	Size	Color	Box
--------	------	-------	-----
